

Marshall Team Meeting (MTM)
April 3, 2006

DA01/D. King – Presented the following safety-related recognition awards:

- Level I Industrial Safety Performance Award, MSFC's highest contractor safety award, presented to the COLSA Corporation, for their outstanding support of the Huntsville Operations Support Center (HOSC). Mr. Al Sullivan, President, and Ms. Linda Myszka, Safety Coordinator, accepted the award.

- NASA Safety Milestone Award for 3,000,000 hours worked without a lost-time mishap presented to UNITEs. Mr. Dan Harris, Program Manager, and Mr. Jesse Starks, Safety Coordinator, accepted the award.

Boeing/C. Williams – Presented a presentation relating to a bolt torquing lost-time shoulder injury. Charts used in this briefing are posted at Inside Marshall.

ET14/M. Hammond – Presented a presentation relating to a Rome vacuum chamber fire that occurred at the Center in 2004. Charts used in this presentation are posted at Inside Marshall.

QD50/D. Davis – Presented the Center's Monthly Industrial Safety Report. Charts used in this briefing are posted at Inside Marshall.

AS10/A. Elliott - Presented a presentation on the Center's Environmental Management System (EMS) that provided the internal audit summary results from the March 13-17, 2006, audit performed by an outside ISO 14001 certified auditor. Charts used in this briefing are posted at Inside Marshall.

CS10/S. Durham – Take Our Children to Work Day is scheduled for April 27, 2006. The theme for this year is "Shaping the Future." Register early at <http://e.o.msfc.nasa.gov>.

The Great Moonbuggy Race is scheduled at the Space and Rocket Center this weekend, April 7 – 8.

All Marshall team members are invited to the annual Earth Day celebration from 9 a.m. to 1 p.m., April 18, at the Center Activities Building 4316. Steve Sain, President of Sain Engineering Associates of Birmingham, will speak at 10 a.m. This year's slogan is, "Renewable Energy: Good for the planet, Better for you."

The MSFC Retirees' Luncheon honoring 2004 and 2005 retirees is scheduled at the Redstone Officers' and Civilians Club on Thursday, April 6, at 11:30 a.m.

The Marshall Management Association (MMA) luncheon is scheduled for Wednesday, April 12, in Bldg. 4316. Tickets are \$12, and the point-of-contact is David Spacek, QD01.

The “Vision for Space Exploration Trailer” is scheduled to be at Bldg. 4203 April 26 – 27; however, on April 27, the trailer will be devoted to the Marshall Take Our Children to Work Day activities.

ED01/M. Rudolphi – The Engineering Directorate will participate in the Engineering Management Board (EMB) meeting scheduled for tomorrow and Wednesday (April 4 – 5).

JP01/D. Dumbacher – The Exploration Launch Office will participate in a Constellation Program budget review at Kennedy Space Center on Wednesday, April 5. The Interim Constellation Program Review (ICPR) for Level II began last Thursday, March 30.
